Accredited Certification International Limited

IMS Certificate to Fook Lee Construction Company Limited (Year 2007)

Fook Lee Construction Company Limited has successfully been awarded the ISO 9001 & ISO 14001 Certificates by Accredited Certification International Limited (ACI).

“Integrating the ISO 9001 & ISO 14001 Management Systems into our operation processes and work procedures has enabled our customers to experience the full benefits of our services. It is also a demonstration of our commitment in delivering professionalism and exceeding clients’ expectation to our customers.” said Mr. Yu, Contract Manager of Fook Lee Construction Company Limited. “We understand that to implement the internationally recognized standards does not only guarantee the quality and environment protection of our services; it also deepen employees’ commitment to the company and raises the production efficiency.” During the certification process, ACI audit team has proven that they are international and professional accolades. We found their services to be very effective, practical and beneficial for our company.
