**IMS 证书颁发予交通基础管理有限公司 (青馬管制区)
(2007年11月24日)**

于2007年11月24日，国际认可认证有限公司很荣幸地介绍交通基础管理有限公司，以「道路网的设施营运及维修」取得ISO 9001，ISO 14001及OHSAS 18001的证书。这全球的识别保证了他们的管理系统达到国际标准，亦更加加强他们在市场中的地位。

青馬管理有限公司

要成功地控制青马管制区，一个高质的管理系统是必须的，特别是处理突发危机。ISO9001毫无疑问能够协助他们持续地维持及改善高质的管理系统。与此同时，ISO14001确保了交通基础管理有限公司能够达成他们的其中一个服务承诺：维持隧道内及青马管制区的环境标准。该公司车队的员工大多数都在繁忙的高速公路工作，OHSAS18001是与职业安全及安全管理系统有关的危机管理及表现优化。它能提高各顾员、合约商、供应商及商业伙伴对安全的警觉性。

交通基础管理有限公司的经理对于成功取得以上三张证书感到十分高兴，他们认为这些认证是一条让他们改善的途径，为驾驶人士及使用青马管制区的人士提供一条畅顺、环保及安全的道路。他们的高层亦同时表达出对国际认可认证有限公司的专业审查队伍的加许。

今天，国际认可认为有限公司是全球其中一间高速业务增长的独立认证机构。透过普及的专业服务及良好的商誉，国际认可认证有限公司是一个令你十分信赖的独立认证机构。

**IMS Certificate to
Transport Infrastructure Management Limited
(Tsing Ma Control Area) (24th November, 2007)**

On November 24, 2007, ACI is very honor to present the Integrated Management System Certificate on ISO 9001, ISO 14001 & OHSAS 18001 to Transport Infrastructure Management Limited for its "Operation and maintenance of facilities for road network". This global recognition assured their management systems level up to international standard. And this globally recognized achievement further strengthens their position in the market.

青馬管理有限公司

To monitor the Tsing Ma Control Area (T.M.C.A) successfully, a high quality management system is essential, especially for handling any thunderbolts. ISO 9001 will no doubt in assisting them in maintaining and improving a high quality management system continuously. Meanwhile, ISO 14001 ensures them in achieving one of their performance pledges – to maintain the environmental standard within the tunnels and the T.M.C.A. The company's vehicle team involved large amount of employees who often work on the busy highway. OHSAS 18001 is relating to occupational health and safety management systems for risk management and performance optimization. It can help to raise the safety awareness to every staff, contractors, suppliers as well as business partners.

Being successfully awarded the three certificates, the General Manager of Transport Infrastructure Management Limited was delighted as they regarded these certificates acted as a channel for them to improve in providing a smooth, environmental friendly and safe passage for the motorists and the users of T.C.M.A. The top management has also expressed their appreciation over ACI professional audit team.

Nowadays, ACI is one of the fastest growing independent certification bodies in the world. Throughout the widespread professional services and the good reputation, ACI is a dependable independent certification body you can fully trust with.
