

# ACI proudly delivered 'Six Sigma' training to OGCIO of HKSAR

ACI, the preferred training provider for many organizations in different industry sectors, we are offering public and in-house training courses to our clients. ACI has recently provided a 'Six Sigma –Yellow Belt' training for the Office of the Government Chief Information Officer (OGCIO). The OGCIO was set up to provide leadership for the development of information and communications technology (ICT) for the Hong Kong Government, and enable them to take a proactive, leading role in championing IT development.

Six Sigma is a powerful management strategy that aims to identify and eliminate defects or mistakes in all business processes and thereby focus on those product or service Performance characteristics which are critical to customers. Through the training, ACI helps OGCIO in improving their management and service level by applying Six Sigma management strategy into daily organization operation

Representative from OGCIO from thanked ACI for the high quality training. They believe that investment in organization's continuous improvement is well-worth and necessary. ACI strives for excellence. We are committed to providing professional training to clients with plenty experience and can definitely meet every customer's training needs

# ACI为政府资讯科技总监 办公室提供六西格玛培训

国际认可认证有限公司（ACI）是许多来自各个行业的公司的首选培训机构，为客户提供各种公共培训和公司内部培训课程。最近ACI为政府资讯科技总监办公室（OGCIO）进行了「六西格玛—黄带」培训。政府资讯科技总监办公室的成立是爲了负责统领香港政府内外推行资讯和通讯科技的建立发展，以发挥政府在资讯发展中的积极主导地位。

六西格玛是一种很有效的管理策略，目的是查明并消除业务流程中的缺陷和错误，从而能专注于对客户更加重要的产品性能或者服务质量。通过是次培训，ACI帮助政府资讯科技总监办公室将六西格玛管理策略应用到整个机构的日常运作当中，有效地提升了管理和服务水平。

来自政府资讯科技总监办公室的代表对ACI提供的高水准培训课程表示感谢。他们相信，对于机构的不断改善方面的投资是值得和必要的。ACI力求精益求精，我们致力於以丰富的培训经验为客户提供专业的培训服务，一定能满足每一位客户的培训需求。
