## “Application of Occupational, Health and Safety” seminar

Seminar on “Application of Occupational, Health and Safety” has been successfully held on 12 December '06. The seminar was organized by Pest Control Personnel Association of Hong Kong and co-organizers are ACI & EnviroSafe Professional Consultancy Ltd. It was a great pleasure to have Mr. Kam Nai Wai, Elected Member, Central & Western District Council to conduct the opening ceremony. Mr. William Kong, President of Pest Control Personnel Association of Hong Kong to present the welcome speech.

The seminar touched on a variety of subjects. Mrs. Frances Cheng, Vice Director of Centre for Health Education and Health Promotion, of the Chinese University of Hong Kong shared her knowledge in Promoting Occupational Health in Pest Control Personnel. Mr. Danny Sham, Managing Director of EnviroSafe professional Consultancy Ltd. delivered the importance of management system in occupational, health and safety. Mr. Fredric Leung, Managing Director of ACI shared his insight in application of ISO 9001 in pest control industry and Mr. Leung Chi Wah from Food & Environmental Hygiene Department, Hong Kong delivered the topic on prevention of spreading disease in workplace.

Some 70 senior staff and managers from some 30 companies and government departments of Hong Kong and Macau have attended the seminar. The seminar was very impressive and all participants came away with a much better understanding the benefits of applying Occupational, Health and Safety and ISO 9001 in their companies.
