

ACI Carried out an Independent Supplier / Vendor Assessment for A Global leading Company

ACI are pleased to be appointed by a Global Leading Company in the inflatable swimming products industry to carry out a Supplier Assessment to all their suppliers in Mainland China on quality management, inspection processes and record traceability, etc.

The objective of the assessment is intended to provide the company's suppliers with the basis for understanding the quality expectations of the company, so as to develop a clear picture and to ensure that the suppliers are committed to comply with the company's requirements throughout "Wal-mart" order production stages.

The management of company thanks ACI assessment team for her professionalism, the suppliers of the company have spotted out many aspects which should be corrected to comply with the requirements. Supplier Assessment is the best way to ensure suppliers following the processes and procedures that sourcing companies agreed during the selection processes. It can identify any non-conformances and other malpractices in suppliers' manufacturing, transportation, storage and quality assurance processes. After assessments, suppliers can identify corrective actions. Periodical supplier assessment can definitely ensure that the corrective actions have been successfully implemented and root causes have been eradicated.

ACI is an international recognized certification and assessment body; our assessment team fully understands customers' needs. We are well equipped with the knowledge and understand international and local standard requirements, the characteristics and jargons of the industries, the core processes and the critical issues involved. If you have enquiry, please do not hesitate to contact us at (852) 3583-3330.

国际认可认证有限公司为一间全球领先公司进行了一项独立供应厂商/卖方评估

本公司获一间在全球游泳充气制品业界领先的公司指派，为其所有中国内地的供应厂商/卖方进行质量管理、检验程序和纪录可追踪性等客观评估。

是次评估之目的是让该公司的供应厂商理解该公司对质量的期望，从而形成一幅清晰图像，并确保於整个「沃尔玛」指示生产过程中，供应商承诺遵守公司的要求。

该公司管理层感谢评估小组的专业态度；他们的供应厂商已经发现了许多问题，应予以纠正，以符合要求。「供应商评估」是最好的方式，来确保供应商之采购遴选程序符合公司对过程和程序的既定要求。此评估可以识别供应厂商任何未经发现的违规和其他不当操作於制造、运输、储存和质量保证程序。经过评估，供应商可以识别纠正行动。定期的供应厂商评估肯定可以确保纠正行动得到顺利实施和问题的根源已被根治。

本公司是一个国际认可的认证和评估机构，我司的评估团队能充分理解客户的需求。我们具备丰富的专业知识，了解国际和地方的标准要求，产业的特点和术语，核心流程和所涉及的关键问题。如果您有任何查询，欢迎随时与我们联系（852）3583-3330。
