## ISO 9001:2008 Transition Seminar for **Civil Engineering and Development Department (CEDD)**

Accreditation Certification International Limited has recently held a series of seminars on ISO 9001:2008 for Civil Engineering and Development Department (CEDD).

CEDD's mission to speed up infrastructure construction, which is crucial to Hong Kong's continued prosperity, the Department is carrying out studies, planning and implementation of four major areas: provision of land and infrastructure, port and marine services, geotechnical services, environment and sustainability services for various major development projects spanning in the territory.

ISO 9001 Quality Management System certification can be applied in all organizations. As the latest version of ISO 9001 published on 15th November, 2008, many certified organizations are looking for a way to have a smooth transition. In such background this seminar was launched to let participants know how to deal with the new version and continue to help CEDD to provide high quality civil engineering infrastructure to meet Hong Kong's development needs.

Management representative from CEDD appreciated the professionalism of ACI. So far, a considerable number of companies from different backgrounds have joined ACI courses. We believe, with our endless effort and plenty training experience, it will be a pleasant journey to grow with our clients and our pleasure to witness their success.

## 国际认可认证有限公司为土木工程拓展署 举办了ISO 9001:2008 转型研讨会

土木工程拓展署负责加快基础设施建设，这对香港的持续繁荣至关重要。针对境内展开的各项主要发展项目，该署在土地及基础设施的供应，港口和海洋服务，岩土工程服务，环境和可持续发展服务四个领域进行了研究，规划和实施。

ISO 9001质量管理体系认证适用于所有的企业和机构。随着ISO 9001的最新版本于2008年11月15日发布，许多经过认证的组织都在寻求一个能够平稳过渡的方式。在此背景下该研讨的举办能够帮助与会者应对新版本的ISO 9001以及继续帮助CEDD提供高质量的工程基础设施，以满足香港的发展需求。

来自CEDD的管理者代表对于ACI的专业表现表示感谢。到目前为止，已有相当多的来自不同行业的公司参加了ACI的培训课程。我们相信经过不懈的努力和充分的培训经验，我们将与我们的客户一起成长，并且很高兴看到他们的成功
