ACI was appointed again by **Hong Kong Housing Authority** on ISO 14001 Environmental Management System (EMS) Seminar

In August 2010 Accredited Certification International Limited (ACI) was appointed again by Hong Kong Housing Authority (HKHA) to conduct a serial of in-house seminars on ISO 14001:2004 Environmental Management System (EMS) for over 600 of their staff members.

During the seminar, ACI lecturer gave delegates an overview of ISO 14001:2004, environmental aspects and significant impacts, practical examples of chemical use, resources use, waste management, air emission, water, flora and human activities, etc. ACI lecturer simplifies complex topics and presents them clearly and concisely. The seminar was delivered in a way that anyone, no matter what their skills or experience level, can understand the concepts and implementation.

There are more than 100 delegates in each seminar. Delegates are greatly interesting in the topics and have had a positive interaction with the lecturer. Management representative of Hong Kong Housing Authority expressed their satisfaction of the seminar and thanked ACI a lot for their professional performance and serious attitude. ACI strives for excellence. We commit to providing professional and high value added service to clients.

ACI再次获指定为香港房屋委员会举办 ISO 14001环境管理体系(EMS)研讨会

国际认可认证有限公司(ACI)再次被香港房屋委员会指定,於2010年8月份为其超过600名员工举办关于ISO 14001:2004 环境管理体系(EMS)的一系列研讨会。

研讨会期间,来自ACI的讲师为与会代表们概述了ISO 14001:2004,环境因素和化学运用,资源利用,废物管理,空气排放,水,植物和人类活动等的重大影响以及实际按例。ACI讲师深入浅出地将复杂的问题清晰而简洁地讲解给与会代表们。该研讨会以这样一种形式进行:不管与会者处于什么样的技能和工作经验水平,都能够理解相关的概念和执行。

每场研讨会都有超过100名代表参加,与会代表们对研讨会的课题很感兴趣并与讲师有着积极的互动。来自房屋委员会的管理层代表对此次研讨会十分满意并且对ACI的专业表现和认真态度表示感谢。ACI精益求精,我们承诺为客户提供高附加值的服务。
