

ACI Provides SA 8000 Verification Service

Social Accountability 8000 Standard (SA8000) is the leading social standard that provides a framework for all types of organizations, in any industry, and in any country to conduct business in a fair way for workers and fosters social accountability and other appropriate practices in the workplace. It is based on internationally recognized standards of decent work, including the Universal Declaration of Human Rights, International Labour Organization (ILO) conventions and national laws. It applies a management-systems approach to social performance and emphasizes continual improvement.

ACI provides Verification Service for SA8000. We highly recommend organizations to apply for it, which enables them to understand the principles of SA8000, i.e. human right practices, social accountability, health and safety among other. The service also helps the organization to ensure that there is compliance to the SA8000 Certification.

ACI提供 SA 8000 驗證服務

社會責任國際標準體系 (SA8000) 是領先的社會標準，它為任何行業和任何國家的所有類型的組織提供了一個框架，以公平的方式為工人開展業務，並在工作場所促進社會責任和其他適當的做法。它基於國際公認的體面勞動標準而制定，包括《世界人權宣言》、國際勞工組織 (ILO) 憲章和國家法律，它將管理系統方法應用於社會績效並強調持續改進。

ACI 現為 SA8000 提供驗證服務。我們十分建議組織申請此驗證服務，這使他們能夠了解 SA8000 的原則，例如人權實踐、社會責任、健康和 safety 等。同時此驗證服務亦能幫助組織確保符合 SA8000 認證。
